

ACADI 2027 ECR Grant application form

Form Preview

Before you begin

Introduction

Before you begin

Please ensure that you have read and understood the 2027 ACADI ECR grant funding guidelines.

Save as you go

You must save your work as you progress through the application.

Privacy

The Australian Centre for Accelerating Diabetes Innovations (ACADI) respects the privacy of anyone who interacts with us and is committed to protecting and managing personal information fairly and lawfully. We have obligations regarding the collection, use and management of individuals' personal information under the *Privacy and Data Protection Act 2014* (Vic). You can access our privacy statements [here](#).

Eligibility Check

* indicates a required field

This scheme targets ECRs who have been awarded a PhD within the last 5 years, from the date of 31 December 2020, and before submission of this ECR application. The award date of a PhD refers to the date specified in the PhD conferral letter (notifying that a PhD has been passed), and must be uploaded with the application.

Applicants who have had career interruptions or who have worked in an academic research organisation for less than 5 years FTE and received their PhD on or before 30 December 2020 may submit an eligibility exemption request (EER). Please email acadi-grants@unimelb.edu.au to do so.

Applicants can apply from any field, though they must:

- Be working on a research project related to prevention, diagnosis, monitoring, management and/or treatment of diabetes and its possible complications.
- Be an Australian citizen or Permanent Resident.
- Be either an honorary member of an ACADI core partner, *or*
- Hold or have a confirmed future appointment for a salaried (fixed-term or continuing) academic position of at least 0.4 FTE at an [ACADI core partner](#), commencing on or before 1 May 2026 and continuing for the duration of the grant;

ACADI's core partners are:

- Adelaide University
- Australian National University

Can you confirm that you meet the eligibility criteria for the academic appointment at one of the organisation's listed above? *

- Yes
 No

Can you confirm that you meet the eligibility criteria for the award date of your PhD? *

- Yes
 No

Are you an Australian citizen or permanent resident? *

- Yes
 No

You are not eligible to apply for this grant funding

Based on the responses you have provided above, you are not eligible to apply.

For more information, please consider the PhD funding guidelines. Alternatively, feel free to contact our team if you have any questions on: acadi-grants@unimelb.edu.au

Grant Scheme Eligibility

Available Grants

This year, ACADI, in collaboration with industry partners Abbott and Novo Nordisk, is offering two grants to ECRs at ACADI core partner institutions whose work contributes to the prevention, diagnosis, monitoring, management, or treatment of diabetes and its complications.

The 2027 Funding Round offers applicants the opportunity to submit applications for multiple grants, where the applicant is eligible to do so.

From the list below, please select which grant(s) you are eligible to apply for and prepare your budget submission accordingly.

NOTE FOR ALLIED HEALTH APPLICANTS: Only applicants from Allied Health professions are eligible to apply for both the Allied Health-specific grant and ECR grants with a single application. A separate budget for each grant type will need to be submitted.

Please select which Grant type you are eligible to apply for.

- ACADI - Novo Nordisk Diabetes Researchers and Innovators ECR Grant (Allied Health ECR Grant, up to \$20,000 in value)
- ACADI - Abbott ECR Grant (up to \$25,000 in value)

Must be an email address.

Are you of Aboriginal and/or Torres Strait Islander origin? *

- Yes
- No
- Prefer not to answer

Project Details

* indicates a required field

Research Project Title *

Please select which area of diabetes and / or its complications your project aligns with: *

- Prevention
- Diagnosis
- Monitoring
- Management
- Treatment

Short lay project description *

Word count:

Must be no more than 400 words.

Please provide a short project proposal - what is your research trying to achieve?

How will the project accelerate diabetes innovations? What is the potential and timeline for the project to be translated into clinical practice? *

Word count:

Must be no more than 500 words.

Please outline how you expect the project to accelerate diabetes innovations.

Please comment on whether the project will collaborate with the Indigenous community, people living with diabetes, industry, academic or health partners? *

Word count:

Must be no more than 500 words.

Please outline how you are working, or expect to work, with industry, academic or health partners in your research.

Please outline details of any funding sources (existing and pending) *

Word count:

Must be no more than 250 words.

Research Project start date *

Must be a date.

Expected end date *

Must be a date.

Supporting Documents

* indicates a required field

Please upload the required supporting documentation here.

Documents must be saved on your computer, or on a zip drive, or similar. You need to allow enough time for each file to upload before trying to attach another file. Files can be up to 25MB each; however, we do recommend trying to keep files to a maximum of 5MB – the larger the file, the longer the upload time. If you are not able to upload a document, please email acadi-grants@unimelb.edu.au and quote your application number.

Please see the SmartyGrants [Help Guide for Applicants](#) or check out [Applicant Frequently Asked Questions \(FAQ's\)](#) for which file types are supported for uploading.

Two page Resume/CV *

Attach a file:

Two page project plan, with an additional page listing up to 12 references. *
